

DYSPHAGIA TRAIN THE TRAINER EVENT***October 18, 2010, 9:00 a.m. – 12:00 p.m.******Connecticut Valley Hospital, Lee Auditorium******Middletown, CT***

PROGRAM DESCRIPTION: This training session will equip trainers to present the DDS Dysphagia Training curriculum. Dysphagia training will teach staff to:

- Recognize signs that may indicate that an individual is experiencing or is at risk for swallowing difficulties
- Understand responsibilities associated with caring for individuals with dysphagia or swallowing risk
- Understand reporting and documentation responsibilities
- Be aware of interventions and treatments that are implemented with individuals who have dysphagia or identified swallowing risks

Layth Haddad, Speech Language Pathologist, will present a detailed walk-through of the curriculum and a subsequent question and answer session.

* Note: We anticipate high enrollment for this important training. If you register and have to cancel for any reason, notify us as soon as possible at to allow us to accommodate those on the waiting list.

TRAINER REQUIREMENTS: Participants must be Speech Language Pathologists, Occupational Therapists, Physical Therapists or Nurses. Supervisory level residential staff with a minimum of 3 years of experience supporting persons with developmental disabilities may also participate.

INTERPRETER OR ACCESSIBILITY ACCOMMODATIONS: Please indicate in your email if you require Sign Language Interpreter Service or accessibility considerations. DDS must be notified at least **2 weeks prior** to the session in order to accommodate special needs.
